

The 2020 OKC September Sale is Postponed Until 2021

In response to the continued changes in the spread and control of Covid 19, we have decided to postpone the OKC September sale until 2021.

We will miss getting to see everyone in September, but we plan to use this time to adapt and advance our services for the horse owners of the Southwest. We were fortunate to have great median, average and buyback numbers in 2019 so we hope to build on that in 2021 as the Southwest's leading yearling sale.

Until then, social distancing is best with a horse!
